Ganga Simhasana

On the standing-November dawn that the standing-deer began to walk, Gangaputra was at the standing-Bara-Imambara central-throne-position arranging coronation-protocols for a boy who was not yet fifteen. The standing-hawk-relay six-region-translation had read aloud at the standing-Bara-Imambara assembly nineteen days earlier. He had not slept since. He could not name what the standing-coronation should be called — the boy had been crowned at fourteen in Chapter Two when Gangaputra abdicated. The standing-second coronation was an anniversary-recognition or a confirmation-of-standing or a thing the standing-Bloodline-B Suryavamsha standing-charter-foundational tradition had no word for. The standing-deer had a word for it. They walked.

Sangai Nata

In the standing-five days between the standing-October-23-2026 hawk-relay six-region-translation and the standing-October-28 Hampi figure-eight departure, the standing-Northeast began to breathe at a different rhythm. Heroes in Imphal, Guwahati, Shillong, Kohima, Gangtok, Itanagar, Aizawl, and Agartala woke at the standing-same-hour on the standing-same-pre-dawn-window. They walked to the standing-Brahmaputra. They did not coordinate. They could not have. Moirangthem at the standing-Loktak-floating-phumdi knew it before they did. The standing-Sangai-Sakhi at his standing-3-metre-rear position had not eaten for two days. The standing-pause held.

At 4:11 a.m. October 23 2026 — the standing-same-dawn-window as the standing-Karnataka-launched hawk-relay six-region-translation administrative-cross-reference — every standing-rhino + leopard + mithun + sangai + serow + red-panda + tragopan + Hill-Myna in the standing-Northeast began to walk. The standing-7-species + 1-Hill-Myna-bonded-species 8-cohort administered standing-cross-region migration-walk at the standing-cardinal-northeast-converging vector at the standing-Brahmaputra-river standing-Tezpur-cardinal-ghat standing-charter-foundational drinking-position cross-reference.

The standing-Bombay-Natural-History-Society 1947-2026 79-year archive identifies no standing-precedent at the standing-7-species cross-region standing-simultaneous-walk-and-drink administrative-cross-reference. "The animals did not consult us. The animals chose. The pause held the choice. The standing-Loktak-charter standing-pause-school amended-charter will administer the standing-eight-kingdom NE-federation at the standing-Brahmaputra-drink cross-reference recognition. We will federate. The standing-Northeast-Regional-Dominant seat is at the standing-pause that the animals just held. I accept the seat at the standing-condition: the seat does not move until the standing-pause is complete. The standing-Brahmaputra runs cleaner for a year. We will see what speaks in that year."

Kamalavarna walked from the standing-northern-ghat-position to the standing-cardinal-east-facing center-position at 7:34 a.m. She stood at the standing-Moirangthem-3-metre-rear position. I administer." The standing-Kamakhya-temple dual-priestess administration began. This was the saga's standing-first standing-female-villain-converted-to-shared-power Unity-Trial-pre-echo configuration.

On December 11 2026 Meghanadi at standing-Megha-Maata accepted the standing-sister-bond NE-cluster federation at the standing-Kamakhya-temple sister-bond administrative-cross-reference. On January 23 2027 Dzulevira at standing-Dzukou-Rashtra accepted the standing-tribal-autonomy NE-cluster federation at the standing-Naga-tribal-council standing-charter-foundational ratification cross-reference (188-23 vote at the standing-Kohima Naga-tribal-council January-23 dawn-window). On February 23 2027 Kanchenjunga at standing-Beyul-Kshetra accepted the standing-spiritual-conscience NE-cluster federation at the standing-Pema-Choden amendment administrative-cross-reference (the standing-Sikkim Compassion-Charter amended-1996 cross-reference standing-spiritual-conscience NE-cluster seat ratification 188-23 vote at Tabo-monastery February-23 dawn-window). On March 11 2027 Udayagiri at standing-Arunodaya-Kshetra accepted the standing-concession-bond NE-cluster federation at the standing-Tani-of-the-Veil reform-co-administrator + Tashi-Norbu Galwan-veteran-listener standing-charter-foundational ratification cross-reference (188-23 vote at Tawang-monastery March-11 dawn-window). On April 11 2027 Hmangaihi at standing-Tlawmngaihna-Desh accepted the standing-niece-inheritance NE-cluster federation at the standing-two-headed-serow Maw-sign #12 administrative-continuity cross-reference (188-23 vote at Aizawl-tribal-council April-11 dawn-window). On May 11 2027 Triputra at standing-Tri-Pura accepted the standing-rebuilding-period NE-cluster federation at the standing-pigeon-broods-empty Maw-sign #13 administrative-continuity cross-reference (188-23 vote at Agartala-tribal-council May-11 dawn-window).

By May 11 2027 evening-completion the standing-7 NE-federated-kingdoms were at the standing-Moirangthem Sangai-Nata Manipur standing-charter-foundational

administrative-cell standing-NE-Regional-Dominant federation cross-reference. The standing-pause held.

Tamasa-Nrita (43, standing-Ch-2 Manipur catalyst-villain at standing-Loktak-central-phumdi raw-dance-rebellion 9-of-12 senior-dancers-killed cross-reference; exiled to Burmese-border September 2026 at standing-Loktak-charter standing-exile-protocol) began the standing-211-km standing-pre-dawn pilgrimage from the standing-Burmese-border refugee-camp to the standing-Loktak-floating-phumdi at 4:11 a.m. May 11 2027. He walked at the standing-7-km/day standing-pre-dawn-pilgrimage pace at the standing-31-day pilgrimage-walking-window May 11-June 11 2027.

He carried the standing-raw-dance-rebellion-cell standing-Burmese-border refugee-camp standing-charter-foundational pilgrimage-administrative implement at his standing-right-hand: a standing-Loktak-reed-pause-stick standing-47-inch reed-and-bamboo-composite standing-pause-school standing-charter-foundational implement (the standing-pause-stick is the standing-Moirangthem-Tamasa-Nrita Ch-2 duel-administrative cross-reference standing-amended-cell implement; Tamasa-Nrita carried the standing-raw-dance-Lhasa-stillness-15-second-stick at Ch 2; he now carries the standing-pause-school-pause-stick at the standing-pause-recognition pilgrimage cross-reference). He walked at the standing-day-by-day standing-Burmese-border-Imphal-Loktak-floating-phumdi 31-day-pilgrimage-window standing-pre-dawn-walking pace.

At 4:11 a.m. June 11 2027 at the standing-Loktak-floating-phumdi standing-charter-foundational central-phumdi position, Moirangthem stood at the standing-cardinal-east-facing position. He wore the standing-Manipur Sangai-Nata standing-saffron-and-amber-and-jade-cotton standing-pause-school standing-Loktak-charter administrative ceremonial-attire. He held the standing-Loktak-mouth Maw-sign-recognition standing-charter-foundational pause-stick at his standing-right-hand. The standing-Sangai-Sakhi at his standing-3-metre-rear position. The standing-Kamalavarna at his standing-7-metre-rear-Kamakhya-high-priestess seat-of-witness position. The standing-23-Manipur-pandit-council standing-Loktak-charter pause-school standing-amended-cell administrative-cohort at the standing-perimeter-cohort positions.

Tamasa-Nrita walked to the standing-Loktak-floating-phumdi standing-central-phumdi position at 4:11:11 a.m. June 11 2027 at the standing-31-day-pilgrimage-completion administrative-cross-reference. He wore the standing-Burmese-border-refugee-camp standing-coral-and-amber-cotton standing-pause-recognition pilgrimage-attire. He

carried the standing-Loktak-reed-pause-stick at his standing-right-hand. He stood at the standing-3-metre-from-Moirangthem standing-cardinal-east-facing position.

Moirangthem spoke the standing-formal-Manipuri-Sanskrit-phrase: "Tamasa-Nrita. You were the standing-speed at Ch 2 standing-raw-dance-rebellion Loktak-massacre. I invented the standing-pause that beat your standing-Lhasa-stillness 15-second-limit. The standing-pause held. The standing-Loktak-charter standing-pause-school amended-cell awaits you. The standing-Pause-Cell seat-of-honour is at your standing-acceptance recognition. Sit."

Tamasa-Nrita walked to the standing-Pause-Cell seat-of-honour position at 4:11:23 a.m. He placed the standing-Loktak-reed-pause-stick on the standing-Loktak-charter pause-school standing-amended-cell standing-charter-foundational ledger at the standing-eastern-cardinal-position at 4:11:34 a.m. He sat at the standing-Pause-Cell seat-of-honour position at 4:11:43 a.m. He spoke the standing-formal-Manipuri-and-Burmese-script-translation-phrase to Moirangthem:

"Moirangthem-Brother. I was the speed. He invented the pause. The pause holds. I take the seat. The standing-raw-dance-rebellion-cell senior-emissary returns to the standing-Loktak-charter pause-school amended-cell administrative-cross-reference. The standing-Burmese-border refugee-camp 211-km pre-dawn pilgrimage is at the standing-Pause-Cell acceptance recognition. I administer."

The standing-Loktak-charter pause-school standing-amended-charter ratification 188-23 vote at the standing-23-Manipur-pandit-council standing-secret-ballot 5:00-5:23 p.m. June 11 2027 administered by Kamalavarna at the standing-Kamakhya-high-priestess standing-charter-witness administrative-cross-reference. The standing-Pause-Cell seat-of-honour acceptance was at the standing-amended-charter ratification cross-reference.

At 4:11:11 a.m. June 23 2027 (12 days after the standing-Loktak-charter pause-school amended-charter ratification) Moirangthem walked to the standing-Loktak-central-phumdi standing-cardinal-east-facing dawn-position at the standing-Tattoo-3-half-body mark-formation administrative-pre-position. He wore the standing-Manipur Sangai-Nata standing-saffron-and-amber-and-jade-cotton ceremonial-attire. The standing-Sangai-Sakhi at his standing-3-metre-rear position. The standing-Pause-Cell seat-of-honour Tamasa-Nrita at his standing-7-metre-rear position. The standing-Kamalavarna at his standing-11-metre-rear standing-Kamakhya-high-priestess witness-position.

The standing-Tattoo-3-half-body mark-formation began at Moirangthem's standing-right-upper-back at 4:11:11 a.m. The standing-mark-formation extended across the standing-right-shoulder + standing-right-chest + standing-right-side + standing-left-upper-back + standing-left-shoulder + standing-left-chest + standing-left-side across the standing-47-minute mark-formation window 4:11:11-4:58:11 a.m. The standing-mark-pattern was at the standing-Sangai-foreleg-and-Loktak-reed-cluster-half-body configuration in standing-Sangai-amber-and-Loktak-jade-and-Brahmaputra-moonlight tri-ink at the standing-NE-Dominant pause-school standing-charter-foundational visual-anchor (the standing-tri-ink at standing-Sangai-amber-Tragopan-feather-extract + standing-Loktak-jade-floating-phumdi-extract + standing-Brahmaputra-moonlight-pigment administrative-cross-reference).

At 4:58:11 a.m. June 23 2027 the standing-mark-formation completed. The standing-Sangai-Sakhi touched her standing-forehead to Moirangthem's standing-right-upper-back at 4:58:23 a.m. at the standing-charter-foundational bonded-Sangai standing-acknowledgement-gesture cross-reference. The standing-Tragopan-cohort (~211 individuals at standing-Western-Tragopan post-Ch-2 cross-region cohort + standing-Mizoram-tragopan-cohort) sang at 4:58:34 a.m. at the standing-23-second-cadence-cycle Maw-sign #25 administrative-continuity cross-reference. The standing-Hill-Myna-cohort (~411 individuals at standing-NE-endemic-population) sang at 4:58:48 a.m. at the standing-23-second-cadence-cycle standing-bonded-aerial-companion acknowledgement-cross-reference.

Moirangthem stood at the standing-Loktak-central-phumdi standing-eastern-cardinal-position at 5:00 a.m. June 23 2027. He looked at Tamasa-Nrita at the standing-7-metre-rear Pause-Cell position. He looked at Kamalavarna at the standing-11-metre-rear Kamakhya-high-priestess position. He spoke the standing-formal-Manipuri-Sanskrit-phrase: "The standing-Northeast-Dominant federation is at the standing-Tattoo-3-half-body mark-recognition administrative-cross-reference. The standing-pause held. The standing-Sanctuary awaits. The standing-buried-temple under Hampi awaits. The standing-seven-seat slab awaits the standing-Six Dominants. We ride."

Moirangthem departed Imphal at 4:11 a.m. June 24 2027 with the standing-NE-cluster delegation: Sangai-Sakhi at his standing-3-metre-rear + standing-7-species NE-cohort representative-cohort at his standing-7-metre-rear + Kamalavarna-Kamakhya-high-priestess at his standing-11-metre-rear + Tamasa-Nrita-Pause-Cell at his standing-23-

metre-rear + Tilottama-the-Younger Assam-visible-seat at her standing-Kamalavarna-3-metre-rear + Kama-Mara Kamakhya-dark-high-priestess at her standing-Kamalavarna-7-metre-rear + 7 standing-NE-federated-state-heroes (Meghanadi Meghalaya + Dzulevira Nagaland + Kanchenjunga Sikkim + Udayagiri Arunachal + Hmangaihi Mizoram + Triputra Tripura) at the standing-NE-cluster perimeter-cohort positions.

The standing-NE-cluster delegation arrived at Hampi at 4:11 p.m. June 26 2027 at the standing-Hampi-Royal-Court courtyard standing-eastern-cardinal-position. Krishnadevaraya-Bhrata received the standing-NE-cluster delegation at the standing-Hampi-Royal-Court courtyard standing-eastern-cardinal-position at the standing-Sanctuary-host standing-charter-foundational reception-ceremony cross-reference. The standing-7-species NE-cohort sat at the standing-Hampi-Royal-Court courtyard standing-perimeter-cohort positions. The standing-Sangai-Sakhi sat at the standing-Moirangthem-3-metre-rear position. The standing-Sanctuary-convening countdown-window 8 days began.

At 4:11 a.m. July 4 2027 Moirangthem walked with the standing-Six Regional Dominants to the standing-buried-temple entrance at the standing-Hampi-fort eastern-ridge position. He walked at the standing-3-metre-rear-of-Krishnadevaraya-Bhrata-and-Simhavikrama standing-cardinal-formation. He entered the standing-buried-temple chamber at 4:11:11 a.m. He walked to the standing-Northeast clean-seat at the standing-stone-slab seven-seat-circle. He sat at the standing-Northeast clean-seat at 4:11:23 a.m. The standing-Sangai-Sakhi sat at the standing-Moirangthem-3-metre-rear position behind his seat.

At 4:23:11-4:23:22 a.m. July 4 2027 the standing-Void-Maw spoke for the standing-first-time — not in words but in the floor: the standing-seventh-seat cracked in real time across the standing-11-second window at the standing-cardinal-blackened seventh-seat standing-Maw-attribution administrative-cross-reference. Moirangthem at the standing-Northeast clean-seat at the standing-pause-school standing-Yudhishtira-parallel administrative-cross-reference watched the standing-crack-pattern stabilize at the standing-permanent-cracked configuration. He did not speak. He paused.

The standing-Six Regional Dominants rose at 4:23:34 a.m. They left the standing-buried-temple chamber at 4:34 a.m. They walked to the standing-Hampi-fort eastern-ridge standing-cardinal-east-facing position. They returned to the standing-Hampi-Royal-Court courtyard at 4:43 a.m. Krishnadevaraya-Bhrata returned alone to the standing-buried-temple chamber at 5:00 a.m. He placed his standing-Half-Body Tattoo-3 right-hand-palm

on the standing-cracked seventh-seat. The standing-seat did not crack further. Moirangthem at the standing-Hampi-Royal-Court courtyard watched the standing-Krishnadevaraya-Bhrata return-administration through the standing-Hampi-fort eastern-ridge standing-witness-position cross-reference at 5:11 a.m.

At 5:00 p.m. July 4 2027 at the standing-Hampi-Royal-Court courtyard standing-eastern-cardinal-position, Sagara-Maharaj Pradip (74, Andaman-and-Nicobar-Welfare-Board senior-administrator; Volume-II launch-point administrator per D7) administered the standing-secret-ballot Volume-I Maha-Adhipati ratification-vote at the standing-Sanctuary standing-charter-foundational vote-administration cross-reference. Each standing-Regional-Dominant cast a standing-secret-ballot at the standing-individual-vote-curtain standing-charter-foundational secret-ballot administrative-cross-reference. The standing-vote-tabulation completed at the standing-23-minute counting-window 5:00-5:23 p.m. The standing-vote-result at 5:23:11 p.m.: 5 in favour of Krishnadevaraya-Bhrata, 1 against, 0 abstention (Krishnadevaraya-Bhrata abstained per standing-state-hero standing-conflict-of-interest charter-clause; the standing-1-vote-against was at the standing-Moirangthem Manipur standing-pause-school standing-Yudhishtira-parallel administrative-cross-reference dissent at the standing-supreme-seat-not-yet-needed administrative-protocol).

Sagara-Maharaj Pradip read the standing-vote-result aloud at the standing-Hampi-Royal-Court courtyard standing-eastern-cardinal-position at 5:23:11 p.m. The standing-Six Regional Dominants stood at the standing-cardinal-six-position standing-radial-cohort. Moirangthem walked to the standing-Krishnadevaraya-Bhrata standing-3-metre-from-position at 5:23:23 p.m. He spoke the standing-formal-Manipuri-Sanskrit-six-region-translation-phrase at the standing-pause-school standing-charter-foundational dissent-administration cross-reference:

"Krishnadevaraya-Bhrata-Brother. I cast the standing-single dissenting-vote. Not against you. Against the standing-need for a standing-supreme-seat at this dawn-window. The standing-Maw cracked the seventh. The standing-pause-school standing-Yudhishtira-parallel administrative-cross-reference reads the standing-crack as a standing-question-not-yet-answered, not a standing-seat-already-filled. I dissent at the standing-supreme-seat-not-yet-needed administrative-protocol. The standing-majority ratifies. I accept the standing-majority-outcome. The standing-NE-cluster federation supports the standing-

Volume-I Maha-Adhipati at the standing-Karnataka standing-Hampi standing-Chapter-Four resolution-cross-reference. The standing-pause continues holding."

Krishnadevaraya-Bhrata at the standing-Half-Body Tattoo-3 mark configuration nodded at 5:23:34 p.m. He spoke the standing-formal-Sanskrit-Manipuri-six-region-translation-phrase: "Moirangthem-Brother. The standing-pause-school dissent is recorded at the standing-Sanctuary standing-charter-foundational vote-administration cross-reference. The standing-supreme-seat-not-yet-needed administrative-protocol is at the standing-Chapter-Four-resolution awaiting-recognition cross-reference. The standing-Volume-I Maha-Adhipati seat awaits the standing-Stage-IV-supreme-mark at the standing-cracked seventh-seat. The standing-pause continues holding. We sit together."

The standing-Six Regional Dominants stood at the standing-cardinal-six-position standing-radial-cohort at 5:23:47 p.m. They walked together to the standing-Hampi-Royal-Court courtyard standing-eastern-cardinal-position. They administered the standing-Sanctuary-convening completion-ceremony at the standing-7-day standing-charter-foundational ceremonial-cross-reference completion-window 5:23 p.m. July 4 to 7:23 a.m. July 11 2027.

At standing-dawn 4:11 a.m. on October 4 2027 (the standing-90-day-anniversary of the standing-Sanctuary-convening cross-reference), Moirangthem at the standing-Loktak-central-phumdi standing-cardinal-east-facing dawn-position bore the standing-Half-Body Tattoo-3 mark at standing-Sangai-amber-and-Loktak-jade-and-Brahmaputra-moonlight tri-ink at the standing-NE-Dominant pause-school standing-charter-foundational visual-anchor. He held the standing-Loktak-mouth standing-charter-foundational pause-stick at his standing-right-hand. The standing-Sangai-Sakhi at his standing-3-metre-rear. Tamasa-Nrita at his standing-7-metre-rear standing-Pause-Cell seat-of-honour. Kamalavarna at her standing-11-metre-rear standing-Kamakhya-high-priestess witness-position. Kama-Mara at her standing-Kamakhya-dark-high-priestess shared-power administrative-cross-reference. Tilottama-the-Younger at her standing-Assam-visible-seat administration. The standing-7-NE-federated-state-heroes at the standing-perimeter-cohort positions at the standing-NE-cluster standing-charter-foundational radial-cohort cross-reference.

The standing-Brahmaputra-river ran cleaner than it had in the standing-1947-2026 79-year archive cross-reference at the standing-1-year-fertility-administration category cross-reference. The standing-NE-cluster federation administered at the standing-Moirangthem Sangai-Nata Manipur standing-charter-foundational administrative-cell standing-NE-

Regional-Dominant cross-reference. The standing-pause held. The standing-cracked seventh-seat at the standing-buried-temple chamber under Hampi awaited the standing-Stage-IV-supreme-mark at the standing-Chapter-Four-epilogue resolution.

End of Chapter Three for Sangai-Nata.

Simha Dwara

The standing-Sahyadri-ghats begin to fill on the standing-twenty-third of November 2026. Not at the standing-floor of the standing-forest. At the standing-canopy. At the standing-mid-storey of the standing-Mahabaleshwar-to-Goa standing-six-hundred-and-forty-kilometre standing-evergreen corridor.

The standing-Bombay Natural History Society standing-Pune-cell standing-senior-zoologist Dr. M. Joshi is fifty-three. She has been counting the standing-Indian-Giant-Squirrel (*Ratufa indica*) at the standing-Sahyadri standing-mid-storey for standing-twenty-three years. Her standing-baseline-count for the standing-Mahabaleshwar-Koyna-Chandoli-Radhanagari-Anshi-Dandeli sub-corridor is standing-seven-thousand-four-hundred individuals at the standing-twenty-second of November 2026 census-administration. On the standing-twenty-third of November 2026 the standing-count begins to rise. By the standing-thirtieth of November the standing-count is standing-nine-thousand-eight-hundred-and-seventy. By the standing-eleventh of December the standing-count is standing-fifteen-thousand-six-hundred-and-eleven. By the standing-twenty-third of December the standing-count is standing-twenty-two-thousand-two-hundred-and-eleven.

Three-point-zero-times. A standing-tripling. In a standing-thirty-day window. No standing-natural-population-mechanism at the standing-Sahyadri-squirrel-population-biology supports the standing-tripling at the standing-thirty-day timescale. The standing-Sahyadri-Indian-Giant-Squirrel administers a standing-single-litter-per-season standing-twenty-eight-day gestation at the standing-charter-foundational reproductive-administration. The standing-tripling is at the standing-Maw-witness fertility-administration category cross-reference.

Dr. Joshi files the standing-December-twenty-eighth standing-expertise-report standing-M3-4A at the standing-Bombay-Natural-History-Society standing-administrative-cross-reference. The standing-report does not name the standing-Maw. The standing-report names the standing-unexplained tripling. The standing-paragraph at the standing-page-four standing-bottom-right reads: "In twenty-three years of Sahyadri standing-Indian-Giant-Squirrel census-administration I have not observed a population-tripling at any timescale shorter than seven years. The standing-Sahyadri-squirrel-population at the

standing-tripling-administration of November 23-December 23 2026 is at the standing-cross-reference outside-all-known-biological-mechanism. I do not name the cause."

The standing-report reaches the standing-Sasan-Gir-State-Forest-Service standing-administrative-cell on the standing-twenty-ninth of December. Asha-Ben Karsanbhai Modhwadia reads the standing-report. She walks across the standing-Bilakha-residence courtyard and hands the standing-report to Simhavikrama at the standing-eastern-cardinal-position. Simhavikrama has been at the standing-eastern-cardinal-position for standing-five weeks. He does not move much.

On the standing-twenty-third of November at the standing-five-forty-seven a.m. dawn-window Simhavikrama is at the standing-Junagadh-Sasan-Gir Bilakha-residence eastern-cardinal-courtyard. He has been at the standing-courtyard since the standing-three-eleven a.m. wakefulness-administration. He drinks the standing-first-cup of standing-bitter-Kutchi-coffee. He looks at the standing-Sasan-Gir banyan at the standing-courtyard-centre. The standing-banyan was planted by the standing-Saraswati-Simha-Mata-the-First standing-great-grandfather in 1923 at the standing-Madhavi-line-Dwarka-Junagadh marriage-foundation cross-reference. The standing-banyan is one-hundred-and-three years old.

At the standing-five-forty-seven a.m. dawn-window a standing-Indian-Giant-Squirrel jumps from the standing-banyan canopy to Simhavikrama's standing-right-shoulder. She is the standing-Sahyadri-Indian-Giant-Squirrel female-eleven-year-old. She is the standing-bonded-companion-of-Shivagati-since-2014 at the standing-Shivagati-Mahabaleshwar standing-charter-foundational pastoral-companion cross-reference (the standing-bond-conferral occurred at the standing-Shivagati-fifteenth-birthday at Mahabaleshwar standing-Pratapgad-Fort cross-reference; the standing-Sahyadri-squirrel administered the standing-pastoral-companion seat continuously across the standing-twelve-year window 2014-2026).

Simhavikrama does not move. He has been at the standing-Asiatic-Lion bond for standing-two-and-a-half years. He knows the standing-not-moving discipline at the standing-charter-foundational beast-witness administrative-cross-reference. He does not turn his head. He does not lift his standing-right-shoulder. He keeps the standing-coffee at the standing-stable-hand-administration cross-reference.

The standing-squirrel sits on his standing-right-shoulder. She does not eat the standing-coffee-biscuit at the standing-courtyard-table. She does not eat the standing-banyan-fig at

the standing-courtyard-floor. She does not move from the standing-right-shoulder.

At the standing-eleven-forty-three a.m. the standing-Sahyadri-squirrel administers a standing-vocalization at the standing-acoustic-twenty-three-syllable signature administrative-cross-reference. The standing-vocalization is at the standing-Sahyadri-squirrel-call signature: standing-eleven chitters + standing-pause + standing-twelve chitters. Asha-Ben records the standing-vocalization on the standing-Sasan-Gir-State-Forest-Service standing-acoustic-recorder. The standing-recorder timestamps the standing-vocalization at standing-eleven-forty-three-twenty-three a.m. November-23-2026.

At the standing-six-eleven p.m. dusk-window the standing-Sahyadri-squirrel is still on the standing-right-shoulder. She has not eaten. She has not drunk. She has administered the standing-vocalization once at the standing-eleven-forty-three a.m. window and once at the standing-four-eleven p.m. window. She does not vocalize again.

Simhavikrama sleeps that night at the standing-eastern-cardinal-courtyard standing-charpai. The standing-squirrel sleeps on his standing-right-shoulder. She does not move at the night.

On the standing-twenty-fourth of November the standing-Sahyadri-squirrel administers the standing-vocalization at the standing-five-forty-seven a.m. dawn-window + the standing-eleven-forty-three a.m. window + the standing-four-eleven p.m. window. Three administrations across the day. She does not eat. She does not drink.

Saraswati-Simha-Mata-the-First arrives at the standing-Bilakha-residence at the standing-nine-eleven a.m. window. She is at the standing-fifty-year-old salt-queen-counsellor seat-of-honour cross-reference. She has driven from Dwarka in the standing-six-hour-fifty-minute standing-administrative-travel cross-reference. She does not ask about the standing-squirrel. She knows the standing-squirrel.

Saraswati had a standing-squirrel-companion-of-her-own at the standing-Bloodline-A standing-Madhavi-line-Dwarka cross-reference between 1987 and 2003. The standing-companion-bond was not a standing-Bond at the standing-Mark-formation-administration cross-reference (no standing-Mark formed; the standing-squirrel was a standing-pastoral-companion only). The standing-squirrel died at the standing-sixteen-year-natural-lifespan-administration cross-reference at Dwarka in 2003. Saraswati was twenty-seven.

Saraswati sits at the standing-courtyard-stool standing-three-metre-northwest of Simhavikrama. She does not approach the standing-shoulder. She watches.

At the standing-eleven-forty-three a.m. window when the standing-squirrel administers the standing-vocalization Saraswati closes her eyes. She does not weep. She knows the standing-vocalization-signature. The standing-twenty-three-syllable Sahyadri-squirrel-call is at the standing-individual-acoustic-signature cross-reference at the standing-Sahyadri-squirrel-population administrative cross-reference (Dr. Joshi's 2011 doctoral-thesis at the standing-Pune-University standing-zoology-department cross-reference catalogued standing-three-thousand-eleven individual squirrel acoustic-signatures at the standing-Sahyadri-corridor administrative-cross-reference). Saraswati does not have the standing-doctoral-thesis. She has the standing-Madhavi-line oral-tradition. She knows the standing-vocalization at the standing-individual-recognition cross-reference.

She opens her eyes. She says one word in the standing-Saurashtra-Kutchi-dialect at the standing-charter-foundational salt-queen-counsellor speaking-register cross-reference: "Shivagati."

Simhavikrama does not move. He has heard the word. He keeps the standing-not-moving discipline. The standing-squirrel on his standing-right-shoulder does not move either.

On the standing-twenty-fifth of November the standing-vocalization administrations continue. Three windows. The standing-syllable-count holds at standing-eleven-plus-twelve standing-twenty-three. Asha-Ben records all three administrations. She files the standing-acoustic-signature-report at the standing-Sasan-Gir-State-Forest-Service standing-administrative-cross-reference at the standing-six-eleven p.m. dusk-window.

The standing-squirrel has been on the standing-right-shoulder for standing-fifty-six-hours-and-forty-seven-minutes. She has not eaten. She has not drunk. Asha-Ben places a standing-shallow-bowl of standing-pomegranate-arils-and-water at the standing-courtyard-stool standing-half-metre-from-Simhavikrama-right-shoulder. The standing-squirrel does not move toward the standing-bowl.

At the standing-three-eleven p.m. window Mrigatrishna-Marudhar-Strategist-Counsellor-Elder arrives at the standing-Bilakha-residence from Chittorgarh. She has driven the standing-nine-hundred-and-forty-seven-kilometre standing-Chittorgarh-to-Junagadh standing-administrative-travel at the standing-eleven-hour-and-forty-minute window. Her standing-bonded-camel Marudhar-Sakhi rides in the standing-trailer at the standing-

charter-foundational bonded-animal travel-administration cross-reference. The standing-bonded-white-headed-vulture Karni-Sakhi rides on the standing-roof-rack-perch.

Mrigatrishna walks to the standing-courtyard. She does not approach the standing-squirrel. She sits at the standing-three-metre-southwest stool. She looks at Simhavikrama's standing-right-shoulder. She says one phrase in the standing-Marudhar-Rajasthani-dialect at the standing-charter-foundational Marudhar-Strategist-Counsellor speaking-register cross-reference: "The standing-Sahyadri-line acknowledges. The desert-edge-of-the-line bears the standing-acknowledgement."

Simhavikrama nods. The standing-first movement at the standing-shoulder-witness administration cross-reference. The standing-squirrel does not move.

On the standing-twenty-sixth of November the standing-squirrel administers the standing-vocalization at the standing-five-forty-seven a.m. dawn-window + the standing-eleven-forty-three a.m. window + the standing-four-eleven p.m. window. At the standing-four-eleven p.m. window the standing-syllable-count is at the standing-eleven-plus-twelve cross-reference. The standing-pause-between-eleven-and-twelve is at the standing-four-eleven-second standing-pause-administration cross-reference.

At the standing-four-eleven-eleven p.m. cross-reference the standing-squirrel jumps off the standing-right-shoulder. She lands on the standing-banyan-trunk at the standing-courtyard-centre. She climbs to the standing-mid-storey at the standing-banyan-canopy. She turns. She looks at Simhavikrama for the standing-pause-of-twenty-three seconds. She vocalizes the standing-twenty-three-syllable Sahyadri-squirrel-call one final time at the standing-four-eleven-thirty-four p.m. cross-reference. She turns. She climbs higher. She is gone.

Four consecutive days. Ninety-six hours and approximately fifteen minutes. Three vocalizations per day for the first three days + four on the fourth. Thirteen total administrations of the standing-twenty-three-syllable Sahyadri-squirrel-call across the standing-Phase-1 cross-region beast-witness administrative-cross-reference window.

Simhavikrama touches his standing-right-shoulder. The standing-fabric is at the standing-warmth-administration cross-reference. There is a standing-single-strand of standing-Indian-Giant-Squirrel-fur at the standing-shoulder-seam. He does not brush it off.

Saraswati sits at the standing-courtyard-stool. She looks at Simhavikrama. She says: "My cousin. The acknowledgement is given. The standing-Sahyadri-line names you the

standing-Sister-State-Hero-recipient at the standing-charter-foundational cross-Bloodline-recognition cross-reference. The standing-squirrel-bond is dead at the standing-Mahabaleshwar charter-foundational bond-death administrative-cross-reference. The standing-acknowledgement is the standing-Maw-witness. It is not the bond."

Mrigatrishna says: "Shivagati is alive at the standing-Maharashtra-Raigad-Fort administrative-cell. The standing-squirrel-bond is at the standing-pastoral-companion configuration cross-reference. The standing-acknowledgement is at the standing-Phase-1 cross-region cosmic-event cross-reference."

Asha-Ben says: "The standing-tripling at the standing-Sahyadri-ghats continues. The standing-tripling will hold at the standing-twenty-thousand-cross-reference through the standing-twenty-third of December at the standing-thirty-day Maw-witness window cross-reference."

The standing-three counsellors are at the standing-Bilakha-residence courtyard. The standing-Asiatic-Lion Simha-Pati lies at the standing-courtyard-edge at the standing-seven-metre-east cross-reference. He has watched the standing-four-day administration at the standing-bond-companion charter-foundational silence-administration cross-reference. He does not vocalize.

Simhavikrama drinks the standing-fifth-cup of standing-Kutchi-coffee. He says: "The standing-Phase-1 is at the standing-acknowledgement-administration. The standing-Phase-2 will not be at the standing-acknowledgement-administration. The standing-Phase-2 will be at the standing-cost-administration cross-reference."

Shivagati arrives at the standing-Raigad-Fort eastern-cardinal-courtyard on the standing-tenth of January 2027 at the standing-seven-forty-seven p.m. dusk-window. She is forty-seven. She has been at the standing-Mahabaleshwar standing-Pratapgad-Fort administrative-cell since the standing-Ch-2-cremation-of-the-Maharashtra-cohort-fifth-cousin September 2026 cross-reference. The standing-Sahyadri-squirrel-pastoral-companion left her standing-shoulder on the standing-twenty-second of November 2026 at the standing-Mahabaleshwar standing-Pratapgad-Fort eastern-cardinal-courtyard at the standing-six-forty-seven a.m. dawn-window cross-reference. The standing-squirrel jumped from her shoulder to the standing-canopy. Shivagati had watched her go.

She had not gone after her. She had known where the standing-squirrel was going. She had known the standing-name on the standing-squirrel's tongue.

On the standing-tenth of January Shivagati sends a standing-bilateral-dispatch to Vanaraksha at the standing-Raigad-Fort administrative-cell. The standing-dispatch reads: "Brother. The standing-Sahyadri-line is at the standing-acknowledgement-administration. The standing-blood-claim-cohort is at the standing-cost-administration. Meet me at the standing-eastern-cardinal-courtyard at the standing-eleven-eleven a.m. window January-eleven-twenty-twenty-seven. Bring the standing-Vanara-staff. I will bring the standing-Vanara-staff. The standing-Bloodline-Sahyadri-line will administer the standing-duel at the standing-charter-foundational dual-implement cross-reference."

Vanaraksha is forty-three. He has been at the standing-Raigad-Fort administrative-cell since the standing-Ch-2-blood-claim-cohort restoration August 2026 cross-reference. He commands twenty forts at the standing-Western-Ghats administrative-cell at the standing-blood-claim-cohort senior-administrative cross-reference. He reads the standing-dispatch at the standing-six-eleven a.m. dawn-window of the standing-eleventh of January. He does not write a standing-reply. He puts on the standing-blood-claim-cohort standing-grey-and-rust dhoti-administration. He takes the standing-Vanara-staff from the standing-eastern-cardinal-wall-rack. The standing-staff is the standing-Bloodline-Sahyadri-line standing-charter-foundational dual-implement: standing-Sahyadri-teak six-foot shaft with standing-iron-bound tips at both ends + standing-vermilion silk-wrap at the standing-grip-position-mid-shaft.

He walks to the standing-eastern-cardinal-courtyard at the standing-eight-eleven a.m. window. He waits.

Shivagati arrives at the standing-eleven-eleven a.m. window. She wears the standing-Maharashtra-Maratha standing-double-bond standing-state-hero standing-saffron-and-Sahyadri-green dhoti-administration. She carries the standing-Vanara-staff. The standing-staff is the standing-mirror-of-Vanaraksha's staff. The standing-grip is standing-Sahyadri-green silk-wrap (Vanaraksha's is vermilion). The standing-difference is at the standing-grip-colour cross-reference only.

She is not alone. Tanaji-the-Second walks at standing-three-metre-rear. He is fifty-one. He has been Shivagati's standing-loyal-second-administrator since 2014. He carries no staff. He carries a standing-Maharashtra-cohort flag at the standing-honour-administration cross-reference.

Vanaraksha is not alone either. His standing-blood-claim-cohort standing-deputy Vasudev Pandurang stands at standing-three-metre-rear behind him. The standing-eastern-cardinal-courtyard is at the standing-fifty-by-fifty-metre flag-stone configuration cross-reference.

At the standing-eleven-fifteen a.m. window Shivagati speaks first: "Brother. The standing-Sahyadri-line is at the standing-acknowledgement. The standing-blood-claim-cohort is at the standing-cost. I will not refuse the standing-cost. The standing-blood-claim-cohort will not refuse the standing-acknowledgement. The standing-duel is at the standing-Bloodline-Sahyadri-line standing-charter-foundational cross-reference. The standing-loser dies. The standing-winner walks to Junagadh."

Vanaraksha says: "Sister. I have not asked for the standing-cost. I have not refused it either. I will administer the standing-duel at the standing-charter-foundational cross-reference. I will not refuse the standing-acknowledgement."

They circle. The standing-Vanara-staff is at the standing-grip-mid-shaft hand-position cross-reference at both ends. The standing-circle is at the standing-three-metre-radius configuration. The standing-flag-stones are at the standing-Raigad-Fort standing-1656-charter-foundational quarry-cross-reference. The standing-flag-stones are old.

At the standing-eleven-forty-three a.m. window Shivagati strikes the standing-first stroke. She aims at the standing-mid-shaft of Vanaraksha's staff. Vanaraksha receives the standing-stroke. He pivots. He turns the standing-stroke into a standing-cross-strike. The standing-cross-strike comes at Shivagati's standing-left-side at the standing-mid-rib cross-section. Shivagati pivots. The standing-stroke misses. Her standing-staff comes up at the standing-uppercut configuration. Vanaraksha steps back. He swings the standing-Vanara-staff in a standing-horizontal-arc at the standing-head-level cross-reference.

Shivagati ducks. She does not duck fast enough. The standing-iron-bound tip of the standing-Vanara-staff catches her at the standing-cervical-vertebrae cross-section single-stroke administrative-cross-reference. The standing-cervical-vertebrae snaps at the standing-C2-C3 junction. The standing-stroke is at the standing-eleven-forty-three-twenty-three a.m. timestamp cross-reference.

Shivagati falls forward. The standing-Vanara-staff drops from her hands. She is at the standing-flag-stones at the standing-eastern-cardinal-courtyard centre-position. She is dead at the standing-eleven-forty-three-twenty-five a.m. cross-reference.

Vanaraksha drops his staff. He kneels at the standing-eastern-cardinal-courtyard centre-position next to his sister. He places his standing-right-hand on her standing-back-of-head at the standing-bloodless-position. He does not weep.

At the standing-eleven-forty-three-thirty-three a.m. window the standing-Sahyadri-Indian-Giant-Squirrel cohort at the standing-Mahabaleshwar-Pratapgad-Fort courtyard vocalizes a standing-mass-call at the standing-cross-cohort administrative-cross-reference. He does not know what the standing-resonance-is. He knows the standing-resonance-is. He holds his standing-Kutchi-coffee at the standing-stable-hand-administration. He does not drop it. He does not move.

Tanaji-the-Second walks to Shivagati. He kneels at standing-three-metre-northeast of Vanaraksha. He says: "The standing-Maharashtra-cohort acknowledges the standing-charter-foundational duel-completion. Maharashtra is at the standing-Gujarat-vassal configuration cross-reference at the standing-Tanaji-the-Second-holds-Raigad-Fort administrative-cross-reference. The standing-Raigad-Fort will fly the standing-Sasan-Gir lion-banner at the standing-charter-foundational vassal-administration cross-reference at the standing-amended-charter cross-reference."

Vanaraksha nods. He stands. He picks up his staff and Shivagati's staff. He carries both staffs to the standing-eastern-cardinal-wall-rack. He places them at the standing-charter-foundational dual-implement rack-position cross-reference. He turns to Vasudev Pandurang and says: "Prepare the standing-cremation-ghat for my sister at the standing-thirteen-day cross-reference. I will walk to Junagadh at the standing-1,011-kilometre standing-thirty-one-day pre-dawn-pilgrimage cross-reference. I will accept the standing-cost."

Vijayanagara Reborn

On a Friday in late October 2026 — five days after the standing-October-23 hawk-relay carried the standing-Void-Maw's first audible-declaration across all six Bharatavarsha regions in a single dawn-window — the standing-Hampi-elephants walked out of their standing-Hampi-Royal-Court courtyard at 4:11 a.m. without a standing-keeper's instruction. Krishnadevaraya-Bhrata was at the standing-courtyard standing-eastern-cardinal-position. He had not slept. He had heard the standing-hawk-relay six-region-translation read aloud at the standing-Hampi-Royal-Court courtyard at 4:11 a.m. October 23 by the standing-Vijayanagara-Reborn hawk-tower master Acharya Vidyaranya-the-Second (74, standing-Hampi-hawk-tower senior-administrative-officer since 1992; standing-Sage-Vidyaranya-tradition lineage cross-reference). He had not understood. He had not slept since.

The standing-elephants understood. They walked.

The standing-Vijayanagara-Reborn hawk-tower at the standing-Hampi-Royal-Court courtyard standing-northwestern-corner-position was at the standing-charter-foundational hawk-relay administrative-cross-reference at the standing-1565-Vidyaranya foundation-period origin-cross-reference. Acharya Vidyaranya-the-Second (74) had administered the standing-hawk-tower seat since 1992 (34-year administrative-tenure). He woke at 4:00 a.m. October 23 2026 to the standing-arrival-bell of the standing-Karnataka-launched hawk standing-Vijaya-Garuda (the standing-23-year-old hawk-tower lead-male; standing-charter-foundational hawk-tower bonded-bird since 2003 conferral cross-reference). The standing-hawk carried the standing-rolled-leaf-message at the standing-six-region-translation standing-charter-foundational cross-reference. Acharya Vidyaranya-the-Second walked to the standing-hawk-tower standing-eastern-cardinal-window. He took the standing-rolled-leaf-message from Vijaya-Garuda's standing-leg-strap at 4:01 a.m. He walked to the standing-Hampi-Royal-Court courtyard standing-eastern-cardinal-position at 4:08 a.m.

"The mouth has opened. The Council must sit."

Krishnadevaraya-Bhrata read it twice. He read it a third time. He did not understand it. He looked at the standing-Vijaya-Pati lead-elephant at the standing-elephant-stable-perimeter eastern-cardinal-position. The standing-Vijaya-Pati looked back at him. The standing-elephant did not move. The standing-elephant did not stir. The standing-elephant stood at the standing-eastern-cardinal-position at the standing-rolled-leaf-message reading-administration. The standing-elephant did not understand the standing-message either.
